Reminders from the Public Works Department

- Leaf collection is weather-dependent and runs through the end of November. Do not place any leaves in the road! Instead, make piles in your yard near the curb. Do not bag your leaves.
- Please keep all brush, bushes, tall grass, snow, and other obstacles away and clear from your electric and water meters so our Public Works crew can access them monthly for meter readings.
- DO NOT put grass clippings into the street. This clogs the storm sewers and harms water quality in the creek.
