Notice of Meeting
Educational Discussion:
Gateway to the Driftless
Monday March 9, 2026, at 2:30PM
1210 Mills St Black Earth, WI 53515 – Village Office Meeting Room

NOTICE is hereby given that the Village Board members and the Village of Black Earth Economic Development Committee members have been invited to attend an educational event with the Gateway to the Driftless Committee. The topics will include specific details of the progress of the Rails-to-Trails and other recreational trails in the Black Earth area. A quorum of the Village Board and/or Economic Development Committee may be in attendance at this meeting; however, no action will be taken by either party at this meeting relating to Village business.
